via Moanalua Middle Ridge

Start Here

Moanalua Valley Park
1849 Ala Aolani St
Honolulu, HI 96819

~5 hours return
*Steady pace w/ few stops.
Add time for exploring the
the stairs at the top.*

*If there are no parking
spaces available, there is
street parking in the
neighborhood.*

*There is only one path
leading into the woods, it's
impossible to miss.*

Last chance for toilets.

Locate Trail Head

~45min from car park
17 water crossings

Locate Kulana'Ahane trail
*on the left side of the path.
Walk 3 meters past the trail
head and look left. There
is no formal markings, but
you will see a gap in the
trees and muddy footsteps
heading up. It's a steady
incline for the next 3 miles
to the top. Follow the ridge
the entire way and you can't
get lost.*

At the top, go left.
*The trail splits at the top of
the mountain. The Haiku
stairs are to the left.*

Tips

Wear good shoes.
*This is a hike with muddy
sections. Wear crampons if
you have them.*

Don't rely 100% on ropes.
*The ropes are there to help
you up & down, but they are
not up to any standards.
Gloves are optional.*

Wait out the clouds!
*Clouds blow through fast,
don't get discouraged!*

Explore the stairs.
*Hike up and down the stairs
a bit and get some good
pictures.*
